## County's Valuation Increased \$5,291,000

Locally-Set Figures  
Total \$790,339,000 As  
Altered By Review Board

Madison county's locally-assessed valuation for taxing purposes this year will be \$790,339,175, an increase of \$15,291,245 over last year, it was announced Friday at the board of review office in Edwardsville.

The new total includes a total assessment of \$259,723,735 for the four townships in the Quad-Cities area. The review board cut the Granite City township assessor total of \$151,903,930 by \$4,224.00 to \$147,679.93, and cut the Venice assessor total of \$63,626,170 by \$457,030 to \$63,169,140.

However, the review board increased the total local assessments for Nameoki and Chouteau townships. The new Nameoki total is \$250,502,800, up \$973,585 from the assessor's figure of \$249,529,215.

In Chouteau township, the board of review gave a \$253,260 increase to the assessor's figure of \$250,727 for a new total of \$253,260.

County-wide, the board of review cut the county's total assessment by \$337,475. In addition to the locally set figures, the overall property valuation for the county is to include railroad and capital stock assessments to be made by the state department of revenue.

A Railroad Value Tax, Added When Those Values Are Added the county's total valuation will be available for study by the state revenue agency before assignment of a "multiplier" for equalization at the state level.

These then will be extended for equalization this spring. The review board ordered valuation increases totaling \$1,471,430 in nine of the county's 24 townships and reduced locally-set assessments by \$1,808,905 in 11 other townships.

The reduction in Venice township was due to loss by fire last year of warehouses in the old car shops plant in Madison.

The Granite City reduction resulted in adjustments in the assessments; while the large increase in the Nameoki townships valuation resulted from improvements at the Blast Furnace plant of Granite City Steel Co.

Last year's locally-set and reviewed valuations for the four townships were \$148,458,000 in Granite City, \$63,113,685 in Venice, \$250,502,800 in Nameoki, and \$250,727 in Chouteau.

## Walter Winters, Housing Official, Dies At Age 62

WALTER G. WINTERS

Mr. Walter G. Winters, a member of the Granite City Housing Authority, died at his home in Granite City, Ill., Saturday at the age of 62.

Mr. Winters had been ill since Jan. 2, and had been hospitalized since that time. He was transferred to St. Elizabeth Hospital six days before his death from Jewish Hospital, St. Louis.

His death was attributed to gall bladder, lung and liver ailments. Manager of administrative services at Anheuser-Busch, Inc., St. Louis, he had been employed there 27 years.

Mr. Winters, who lived at 42 Rivera drive, was a member of the First United Presbyterian Church. He belonged to Granite City Lodge 877, A.F. & A.M., and was a member of the National Association of Cost Accountants.

He was serving his second term on the housing authority. He had served a full five-year term previously, and was later appointed to the unexpired term of a member who moved away from Granite City.

Mr. Winters is survived by his wife, Ruby (nee Connelley); a son, Raymond, and a daughter, Reading, Pa.; and a sister, Mrs. Albert (Helen) Dore of Granite City.

A brother, Rollo D. Winters, who was president of the Granite City Board of Fire and Police Commissioners, died last December after suffering a heart attack at the wheel of his auto. A nephew, Alan, died last Sept. 24 of Hodgkins disease.

Funeral arrangements are given in the obituary column.

## 3 File For 2 Venice Park Board Positions

Three persons filed for two six-year terms on the Venice park board as the filing period opened during the weekend. Elections may be submitted to Park Secretary Leroy Kutz through March 2.

Candidates filing were the two incumbents, Thomas Bruder, 608 Lincoln avenue, and John Mitchell, 205 Hampshire street, and John A. Mangiaracina, 1004 Third street, a former Venice alderman.

There has been no traffic death in the Quad-Cities area for the 10th day.

## LIKE FROSTING ON A CAKE

ice coats the upstream gate of the Chain of Rocks locks. This view, taken yesterday, shows the pileup of six to eight-inch thick ice behind the gate which has virtually halted river traffic in the area. Part of the "frosting" has been chipped off the left gate to the left. (Other canal and ice pictures on page 15.)

## Clinic To Immunize Planned At Hospital

First Set For March 2; Doctors, Hospital And Clubs To Cooperate

A free immunization clinic for persons unable to afford private medical care is to be started here March 2 at St. Elizabeth Hospital by the Tri-City Medical Society and the hospital, with the financing to be handled jointly in cooperation with local organizations.

The present plan is for the Tri-City Medical Society immunization clinic to be held on the first Saturday of each month between 8 and 10 a.m. All personnel, doctors, nurses and clerical workers, are donating their services.

Need for the immunization clinic was stressed by members of the Medical Society following the closing of the State Health Clinic in the area.

The program will provide for those unable to afford private medical care. The immunization for children will require the presence of the parent who must give consent, and all cases will require a referral from either a doctor, a school nurse or a social agency, such as Catholic Charities and Protestant Welfare.

The clinic will be conducted in the emergency room section at St. Elizabeth Hospital, with a special entrance to the right of the emergency room entrance at 21st street and Madison avenue.

The immunization program will include polio, smallpox, tetanus and diphtheria inoculations. A spokesman for the Medical Society stated: "In view of the growth of the community and the increase in the number of people, we hope this endeavor will help prevent the spreading of any infectious disease."

The names of organizations co-sponsoring the clinic with the Medical Society and the hospital will be announced at a later date.

## State High Court Denies Appeal In \$25,825 Local Case

(Special From Springfield)

The Illinois Supreme Court denied an appeal petition by general contractor Co. 22nd and Monroe streets, on a \$25,825 verdict handed down in the Madison county circuit court in awarding the amount for injuries sustained by a local youth.

The ruling was handed down Friday favoring James Andrew, 16, son of Mr. and Mrs. Thomas Andrew, 2902 Sunset drive. At the time of the mishap, the youth, now a junior at Granite City high school, was 19 years old and the family lived in the 2100 block of Monroe street.

It occurred Aug. 12, 1958, when the Andrew boy and others were building a clubhouse on the right hand side of the suit claimed the contractor, firm was negligent in not fencing property where equipment and materials were being stored. The youth's hand was caught at a sewer pipe.

## Salary Level Competitive In Bi-County Area

GC Schedule Shows Higher, Ends Lower Than In Many Cities

(Second of a series)

(Table on Page 2)

In the previous discussion of Granite City school financial facts it was noted that teacher salary schedules are complicated. Comparing such schedules with those of other cities is difficult from the others is even more complex.

Because comparisons are difficult, generalizations are hazardous. Nevertheless, here are four:

1. Salaries offered here for 1962-63 are competitive with St. Louis and the school districts in Madison and St. Clair counties.

2. The Granite City schedule starts higher than many, particularly at the master degree level, but ends lower than many. This results partly from the wishes of the teachers' union local, which showed no interest in a proposed extra pay raise for those with 25 or more years of teaching experience, on the ground that it would leave less for across-the-board raises.

3. With wider areas of Missouri and Illinois considered, Granite City pay is below some districts and above some. In no nearby instance yet cited is the head salary level lower in every respect; those which are ahead appear to be Joliet, Oak Park and Proviso high schools. Granite City in this region is farthest behind Clayton, a wealthy St. Louis county district, yet pays starting master degree teachers \$34 monthly more than does Clayton.

Clayton is instituting a merit pay system next fall and will pay its top category of teachers \$1300 a month—\$300 a week—a salary that remains only a dollar in most communities.

4. Due to its additional bracketed salary, the school was caught at a sewer pipe.

## Quad-Cities News Briefs

4 GC Students Given Degrees At St. Louis U.

Four students from Granite City received degrees during the mid-year conference of degrees Sunday at St. Louis University. They were Miss Lucille M. Berry, 2100 Richmond avenue, Master of Science (2222 Prince-Business Administration); Charles D. Tichenor, 2838 Dogwood drive, Doctor of Nursing; and Health Services; and Harry E. Wade, 2128 Ash avenue, Master of Arts (Teaching) Degree.

Dr. Merrimon Cunningham, executive director of the Danforth Foundation, delivered the principal address at the ceremony during which approximately 330 students received degrees.

## \$1000 Burglary At Bowler Home Off Route 162

Sheriff's deputies started a roundup of suspects in an investigation of a \$1000 house burglary and break-ins at two service stations and a restaurant in the area.

Local authorities also reported several break-ins and thefts, including a \$800 theft at a Granite City boat shop, burglaries at a Venice tavern and a Venice market, and \$88 theft from a Granite City house and theft of a jar of pennies from a home in Granite City.

## One At State Loan

Firemen answered two alarms in Granite City this morning. At 11:00 a.m. a fire broke out in a State Loan & Savings Association building near Madison and Edison avenues, where there was an overheated boiler.

A grass fire that spread from burning trash in the 1500 block of Joy avenue already was out when firemen arrived. There was no damage.

## Driver Reaching For Cigarette Hits Parked Auto

A motorist who was reaching for a dropped cigarette when his auto crashed into a parked auto was charged with careless driving Saturday night.

Arrested on Madison avenue at 15th street was Sam Alonzi, 40 St. Louis, who posted \$11 cash bail. Police said he was traveling south when his auto hit the parked auto of Julia Barton, 3304 Wabash avenue.

## Boat Motors Taken

Burglars broke the glass in a rear door after 11 p.m. Sunday and stole two outboard engines and a television set from Nameoki Boat & Motor Co., 3022 Madison avenue. The total discovered value was \$680.

The burglar was discovered at opening time this morning and reported to Granite City police by the owner, Elmer Williams. Three cigarettes and gasoline, with a total value of over \$200, were stolen between midnight Friday and 2 a.m. Saturday from the Moto Service Station on U.S. Highway 67A, south of Madison.

The proprietors, Lewis Smith and John Price, told county authorities the thief was a white male, about 30 years old, 5 feet 10 inches tall, 40 cartons of cigars, 18 gallons of gasoline and tire patches.

Entrance was gained by forcing a door on the south side of the store.

Register, Machine Stolen

Thieves hauled away a complete cigarette machine and a cash register from the Fina Service Station Cafe, U.S. Highway 66-40 and 67A, west of Mitchell, after midnight Friday. It was reported to county authorities Saturday morning.

The owner, Paul McGowan, (Continued on Page 2, Col. 8)

## Venice Woman Is Area's First Crash Victim

Year's First Traffic Crash Victim, Mrs. Beatrice Goss, 58, Killed, Husband Hurt When Auto Strikes Tree

The area's first fatal traffic accident of the year occurred yesterday at 5:10 p.m. on Route 3 at the Venice-Brooklyn line where Mrs. Beatrice Goss, 58, of 1403 Broadway, Venice, was killed.

Police said she was riding in an auto driven by her husband, Kenneth, 55, who was injured seriously. The on-collision struck in which the car left the pavement on a curve and struck a tree. He is being treated at St. Elizabeth Hospital for cuts to head and face and compound fracture of the left leg.

In five other area traffic mishaps seven persons were injured. Authorities recorded 20 accidents over the weekend.

Venice police said the Goss auto apparently was traveling south on Route three when it left the pavement, struck a large tree, backed into a fence across the pavement at the home of Hubert Green, knocking down a five-foot section, then went forward again across the Venice boundary line into Brooklyn.

Auto Hits On Sidewalk  
It halted on a sidewalk about 100 feet from the tree. Mrs. Goss and her husband, who is manager of a Goodwill Industries store in St. Louis, were taken to the hospital by ambulance. She was pronounced dead upon arrival. An inquest is to be held at the home of Deputy Coroner Henry Pieper.

The victim, who was born in Cape Girardeau, Mo., spent much of her life in Granite City. She moved three years ago to Florissant, where she returned two months ago to live in Venice. She was a member of the Royal Neighbors Lodge of Granite City.

## TRAFFIC DEATH TOLL IN AREA

This Year ————— 1  
Same Period 1962 ———— 4

Two persons were treated at St. Elizabeth Hospital this morning for minor injuries incurred in an auto accident at U. S. Highway 67A and Pontoon road. State police said Emanuel Irish, 21, 2207 Iowa street, was driving north on 67A about 8 a.m. when a southbound auto driven by Edward W. Eocher, 74, of St. Louis, started to turn left in front of her. The left fronts of both autos were damaged.

## Retired Distributor, John Christoff, Dies

John Christoff, 76, 1324 Madison avenue, an area resident 57 years, died of a heart ailment at 5:30 p.m. Friday in Barnes Hospital, St. Louis. He had been ill a month and a patient at the hospital three days.

Christoff, who was born in Illinois, operated the Christoff Beer Distributing Co. about 30 years and retired five years ago. He was a member of the Forepaugh Mutual Aid Society and the Slovene National Benefit Society.

Survivors include a son, John J. Christoff of Granite City; a sister, Mrs. Suzanne Christoff of Bulgaria; and two grandchildren. Funeral arrangements are given in today's obituary column.

## \$1600 Damage By Vandals Sunday At Travelodge

Vandals escaped serious injury and possibly fatal burns yesterday afternoon when they entered the Travelodge Motel, 1914 and Cleveland blvd., and set off a fire which caused \$1600 damage to plumbing and electrical conduits and also slashed plastic doors that had been installed to protect freshly-poured concrete. Luckily the concrete had set. Concrete blocks were piled about, also causing damage.

Buckner said the vandalism occurred between noon and 5 p.m. yesterday. He said there was a watchman on duty in the future.

## Hodge Sees Doctor For Kidney, Ulcer Ailments

Orville Hodge, who was released from the state prison at Menard Thursday morning, said Friday afternoon he already has seen a doctor about his ailments. He suffered from a kidney condition and an ulcer while in prison and was hospitalized several times.  
Hodge said the first thing the doctor did was change his medicine. He said he was under constant medication at Menard and had to take four different pills.  
Hodge plans to begin work soon at his sister's hardware store in Belleme Village shopping center. He plans to rest up first.

## Son Born To Dr. And Mrs. E. H. Theis Jr.

Dr. and Mrs. E. H. Theis Jr., 2823 Grand avenue, are the proud parents of a son born Friday at St. Louis Maternity Hospital, where the father is a resident physician.  
The new arrival weighed six pounds, three ounces. He has a sister, Tracey Lynne, 18 months old.

## Reported Overdose Of Pills

## Mrs. David Friedman Heads Concert Drive

The Tri-City Community Concert Association today announced the appointment of Mrs. David Friedman as drive chairman for the coming fall concert season.  
Mrs. Friedman, vice-president of the association, was selected Saturday at a meeting held at Granite City Trust & Savings Bank. Eugene Coe was appointed publicity director, to be assisted by Harvey Miller and John Moore.

The purpose of the drive is to sell pre-season membership subscriptions. A kick-off dinner will be held April 15 at a time and place to be announced. The drive will run through April 20.  
The concert season usually begins in October or November, depending upon the artists selected and their availability date.

John Semeret, concert representative from New York, attended the meeting Saturday to assist in advance planning. He also will be present during the membership drive.

## Police Break Up Fight

Investigating a report of a fight in a parking lot behind a tavern at 1500 Fourth street at 12:40 a.m. Saturday, Madison police found two youths fighting in the street at that address. Both were charged with fighting and peace disturbance. David Zeoff, 19, of 1825 Fifth street was fined \$20 plus court costs Saturday while Art Heatherly, 19, of 2213 Grand avenue was released on \$50 cash bond to appear for a hearing next Saturday.

Police said he then struck a parked auto owned by Paul Jackson, 1037 Bissell. He refused to get out of his auto when police arrived they said, and created a disturbance at the station.

## Riverfront Road To Be Six Lanes From GC To Venice

Plans weren't even off the drafting board for the riverfront road project when the decision was reached prior to the planning for right-of-way acquisition and little more than a year has passed. This year's program for Federal Aid Route 151 in this area includes acquisition of right-of-way south of U.S. Bypass 66-40 and construction of an overpass at the intersection of the road near the A. O. Smith Corp. plant.  
An overpass already is being constructed at the U. S. Interstate Route 270 interchange west of Mitchell.

## Strikes Second Auto Fleeing Accident Scene

Marvin Robinson, 21, of St. Louis was arrested by Venice police yesterday morning in the 1000 block of Bissell street after his auto struck a parked vehicle as he was fleeing the scene of an earlier collision.

Police said he then struck a parked auto owned by Paul Jackson, 1037 Bissell. He refused to get out of his auto when police arrived they said, and created a disturbance at the station.

Charged with leaving the scene of an accident, driving without a license, refusing to obey an officer, resisting arrest and disorderly conduct, Robinson was held in the city jail pending a preliminary hearing.

MORE ABOUT

## Salary Level

(Continued From Page 1.)

ets recognizing college credits beyond bachelor and master degrees, Granite City pays better salaries than most comparisons with other districts would indicate. Many districts do not have such extra brackets, but the lack does not show up in simplified school comparisons.

## Starting Bachelor Degree Pay

While any single listing would be incomplete, there are 72 figures on the schedule in the Granite City school district—percentage of starting bachelor degree pay affords a partial comparison.

In the bi-county Illinois Metropolitan Area, the \$544 salary offered here for 1962-63 compares with \$477 in East Alton elementary schools, \$511 in Alton and the Belleville elementary district, \$522 at Belleville high school, East-Alton Wood River high school and Edwardsville, \$535 at East St. Louis, \$538 at Wood River elementary schools, \$544 at Collinsville, \$554 at Madison and \$555 at Cahokia and Venice.

Starting pay in other major Illinois school districts includes \$484 at Bloomington, \$497 at Urbana; \$500 at Champaign; \$505 at Galesburg; \$511 at Danvers and Quincy; \$520 at Peoria; \$522 at Kankakee, Freeport and Rock Island; and \$533 at Decatur, Moline, Rockford and Springfield.

Equaling or topping the proposed Granite City bachelor degree starting salary are: \$544, Evanston elementary, Park Ridge and Waukegan elementary; \$550, Waukegan elementary; \$555, Arlington Heights, Aurora, West Aurora, West Plain, Elmhurst elementary, Joliet elementary, Park Forest, Skokie districts 68, 69 and 72 and Wilmette; \$561, Oak Lawn District 111; \$566, Calumet City District 137, Chicago Heights, Elmhurst high school and Evanston township high school; \$572, Berwyn and Harvey; \$577, Morton township high school, Cicero elementary, Evanston high school, Highland Park and Joliet high school; \$588, Oak Park elementary and Skokie-Rivers township high school; and \$594, Chicago.

Difficulty of making an exact comparison is evident in viewing the Granite City salary schedule alongside those of St. Louis, Clayton, University City and Webster Groves—four Missouri districts singled out by Local 743, American Federation of Teachers, as paying well above the local salaries.

In the bachelor degree bracket, Granite City is behind Clayton \$167, below Webster \$50, ahead of University City \$14 and ahead of St. Louis \$22.

With three extra years on its schedule, St. Louis tops Granite City by \$67 a month at the bachelor degree maximum. With extra years, University City tops Granite City by \$139.

Extra GC Pay Brackets  
However, only Webster Groves adds any further pay below attainment of the master degree, and this is a single figure after 12 years of service.

Considering the upper bachelor degree brackets, Granite City leads Clayton \$33, University City and St. Louis \$55 and Webster \$77 monthly in the first year. At maximum 12 years, Clayton trails Clayton \$133 and Webster \$55 but tops University City \$48 and St. Louis \$56 monthly.

With the bachelor degree 15-year level considered, St. Louis tops Granite City by \$33. With the 24-year level considered, University City tops Granite City by \$125 a month.

Master Degrees  
For teachers starting with master degrees, Granite City monthly salaries top Clayton and University City by \$34, St. Louis \$56 and Webster \$61. At the maximum or 12-year level, Granite City trails Clayton \$133, Webster \$72 and University City \$5 but is ahead of St. Louis by \$56. At 15 years, St. Louis tops Granite City by \$33. At 24 years, University City leads Granite City by \$192.

In brackets for master degree plus 30 credit hours, Granite City is initially ahead of the other three districts having such brackets, topping Clayton and University City by \$33 each, and Webster by \$83 at the starting level. At maximum or 12 years, Granite City trails all three, University City \$27, Webster \$87 and Clayton \$153. At the 24-year level, University City tops Granite City by \$214.

Compared with St. Louis which has no master-plus-30 schedule, the top Granite City salaries are ahead of St. Louis by \$78 a month, both at the starting and 12-year levels. At 15 years, St. Louis pay exceeds Granite City by \$11.

Doctorate Schedule  
With doctorate degrees, for which Granite City and Webster Groves have no classification, St. Louis pay goes to \$1000 a month. Clayton to \$1011 and University City to \$1125 a month.

## Office Building To Be Built At Market, Broadway

A permit for construction of a new \$10,000 commercial building at Market street and Broadway was approved by the Venice city council in a short meeting Friday night.

Issued to Marnie Schermer, the permit is for an office building. Razing of an existing structure there also is covered by the permit.

In other action, the council approved payment of bills and claims for the last half of January. Included were half-month salaries for city employees.

Chief of Police Private Witt reported 74 arrests by his employees in January. He said 37 of these resulted in fines and costs amounting to \$640. Disposition of the others did not involve fines or costs.

Alderman James Miller, chairman of the street lighting committee, said he and City Clerk William Ebersold met with officials of the Illinois State Highway Department to study placement of new street lights approved in a resolution at the Jan. 18 council meeting.

"The power company was most cooperative," Miller said, "and assured us placement of the new lights will be in accordance with our recommendations." He said the utility firm is also cooperating with the city in relocating other specified lights to positions of greater advantage.

## MORE ABOUT \$1000 Burglary

(Continued From Page 1.)

did not list any contents for the cash register, and did not mention the contents of the cigar machine. A glass in a pinball machine was smashed.

Deputies said the burglars used a tire tool to smash glass in a west door and a south window and hauled the equipment out the door.

Whiskey, Money Stolen  
Ermaude's Tavern, 108 State street, was entered by two men between 6 and 6:40 a.m. today by a thief who took eight quart bottles and an undetermined number of half-pint bottles of whiskey and about \$10 in change.

The proprietor, Ermaude DeJony, said she left the tavern for 40 minutes to go to a nearby laundromat. When she returned, she told police, she found a glass broken out of the door and the door open.

A billfold and coin purse containing \$88 in currency was stolen on Friday night or early Saturday from the home of Bonnie Bower, 1916 Benton street, it was reported to police yesterday.

Entrance was gained through an unlocked door.  
A burglary was committed between 6 p.m. Thursday at the home of William Morgan, 2200 Ohio avenue. Entry was gained by breaking a small basement window. A jar of pennies was taken.

A thief cut a hole in the top of a convertible auto owned by James Swaneek, 2515 Waterman avenue, Friday and stole a ski outfit consisting of pants and jacket. The auto was parked at the rear of 1020 Edison avenue. Police are investigating.

Stolen From Locker  
Mrs. Wilson Andrews reported to police a dark plaid coat with a silver lining was missing from her son, Gary's locker at Granite City High school on Friday.

miltee said Granite City trails Clayton by \$72, St. Louis by \$88, Webster Groves by \$111 and University City by \$180.  
All figures in this article represent one-ninth of yearly pay. One-twelfth figures would be three-fourths of the amounts which are shown.

## General Steel Net Income Up 11%--\$88,353,212 Sales

Consolidated net income of General Steel Industries, Inc., increased more than 11% during 1962 on a 4% gain in sales, Charles P. Whitehead, president, reported Thursday afternoon.

General Steel's board of directors meeting in Granite City authorized and declared a stock distribution of one additional share of the corporation's \$1 par value common stock for each share held by stockholders of record at the close of business, Feb. 14, 1963. Distribution will be made about Feb. 28.

Consolidated net sales for 1962 amounted to \$88,353,212 compared with \$84,992,792 during 1961.

After provision for taxes, consolidated net income totaled \$3,572,468, against \$3,202,240 in the previous year. The 1962 earnings were equal to \$3.77 per share on 948,479 common shares, the average number outstanding during the year, compared with \$3.46 per share on 926,820 common shares outstanding on Dec. 31, 1961.

**25-Cent Dividend**

A cash dividend of 25 cents per share on the common stock, payable next March 29, 1963, to stockholders of record March 15, was declared. This dividend will be payable on the new shares to be distributed as well as on the shares now outstanding, and will be equivalent to 50 cents per share on the present shares, an increase of five cents over the previous dividend rate.

Directors voted the stock distribution in order to broaden public interest in and ownership of the corporation by increasing the availability of its shares, Whitehead stated. The increased dividend rate was made after considering the improved 1962 earnings and reflects the confidence of the directors in the future of General Steel, he said.

The 1962 figures include results of the Ludlow-Saylor Wire Cloth Co. operations only from Sept. 28, 1962, the date that subsidiary was acquired.

**Order Backlog Up**

Last Dec. 31, the company's order backlog amounted to \$112,500,000 compared to \$57,500,000 at the end of 1961.

In other action at today's meeting, General Steel's board of directors elected Edwin S. Jones a director. Jones is executive vice-president of the First National Bank in St. Louis. He succeeds L. A. Kleber who recently retired as vice-president and director of General Steel.

### County Oks Liquor Permit For New Holiday Inn

### Electrical Code Course In East St. Louis

The Illinois chapter of the National Electrical Contractors Association will conduct a code conference, designed to teach the use of the electrical building code to architects, building officials, consulting and electrical engineers, inspectors and others to whom knowledge would be of use at the East St. Louis high school, 4901 State street, beginning tonight and continuing on each Monday from 7 to 9 p.m. through April 8.

The registration fee is \$15 per participant, and covers the cost of a code book and other text material. Registration may be made at the high school. John C. Carl will be the course leader at East St. Louis.

The conference, one of about 200 being conducted simultaneously throughout the country, is not designed to explain or interpret the technical details of the electrical code.

**150 Labor Leaders To Attend Union Clinic**

About 150 local union officials are expected to attend a special meeting at the Labor Temple on Wednesday to hear an outline of federal requirements for conducting union elections and preparing annual financial reports.

Edwin Reiske, president of the Tri-City Trades & Labor Council, sponsor of the special clinic, said the explanations will be given by Gordon Brewer, assistant regional director at the Kansas City office of the U. S. Department of Labor.

Brewer will conduct the clinic starting at 3:30 p.m. He will meet with the Trades Council executive committee at 6:30 before giving a 30-minute talk to Trades Council delegates at 7:30.

Reiske said each of the 54 local unions in the council is to send officers to the afternoon clinic.

### Senior Citizens Show Art Work At GC Store

The YMCA Senior Citizens group is displaying art work at a local hardware store. All the samples on exhibit were made by the Senior Citizens from transfer patterns, using colored marble chips.

The samples are not for sale but orders for similar patterns will be filled within two or three weeks of orders being placed at Schermer's Ace Hardware.

If the pieces are made during YMCA handicraft periods from club materials, all proceeds go back into the general fund of the Senior Citizens.

Those who do the work at home from their own materials donate 10% of the proceeds to the organization and retain the rest.

Included among the patterns available are a Japanese geisha girl with a parasol and colorful kimono, a large peacock, pikes and an old fashioned fire-side scene. All are done on wooden slabs and are ready to hang as wall decorations.

Schermer's hardware volunteered the display space free of charge and will take orders for any of the displayed patterns.

### Prof. Butler To Conduct Seminar On Theater

Robert O. Butler, of Granite City, assistant professor of speech and managing director of the University Theater, will preside over a seminar on the theater to be held in connection with an experiment in education for adults to be tested by St. Louis University's Metropolitan College this spring with the introduction of two courses at morning, rather than evening times.

The two classes, one on the theater and one in the field of literature, are described as special interest seminars which will be conducted as discussion groups under the direction of a university faculty member. Registration in each class will be limited to 30 persons.

Prof. Butler has conducted a similar program for the University's "Community Campus" series of television classes. The seminar will examine the criteria of good plays and the factors which make them entertaining as well as artistic.

### Farm Employers Must Pay SS For Employees

Farm employers must report and pay the Social Security taxes on cash wages paid to each employee whose total annual wages amount to \$150 for agricultural labor, or if the employee performs agricultural services on 30 or more days for cash wages computed on a time basis, Jay G. Philpott, director of internal revenue for the Springfield district, advised today.

He added:

An owner or tenant of a farm, acting as a landlord, may be required to report and pay self-employment tax on income received under a rental arrangement with another individual for the production, by the other individual, of agricultural or horticultural commodities on the landlord's farm if: (a) the landlord provides that the tenant participate materially in the production or management of production of the products to be raised on his farm and (b) there actually is material participation by the tenant in the production of at least one of these commodities.

Share-farmers variously called renters, tenants and lessees, who, under share-farming arrangements, operate farms they do not own, also are classified as self-employed individuals, and may be liable for the self-employment tax, Director Philpott said.

The term farm as used in the federal statutes relating to social security and self-employment taxes, Philpott said, includes stock, dairy, poultry, fruit, fur-bearing animals, and truck farms, plantations, nurseries, ranches, orchards and greenhouses or other similar structures used primarily for raising agricultural or horticultural commodities.

### Legislative Committee Appointments Made

Committee appointments were announced for the state legislature last week.

## Miss Gnojewski Wed To Ony Pashea At St. Mary's

White carnation bouquets and greenery were used on the altar of St. Mary's Catholic Church, Madison, for the wedding Saturday of Miss Joan Gnojewski, a daughter of Mr. and Mrs. Leonard Gnojewski, 1610 Fifth street, Madison, and Ony Pashea Jr. son of Mr. and Mrs. Ony Pashea, who reside at 2515 Sheridan avenue.

Rev. Sylvester Micek officiated at the double ring ceremony, which took place at ten a.m. Mr. Gnojewski, the bride's father, escorted her and gave her in marriage.

She wore a gown of peau de soie adorned with imported re-embroidered Alencon lace. There were traditional long sleeves, and a sculptured neckline with lace descending into the bodice and into the voluminous skirt. The skirt fell from a bow in graceful folds into a chapel train.

A silk illusion veil was secured to a head de noie which was adorned with clusters of pearls. A bouquet of anemones was carried with white orchids centered by the bride.

Miss Margaret Gnojewski, sister of the bride, was maid of honor, the bridesmaids being Misses Penny Maers, Delores Pashea, sister of the groom, Pat Rozkyce, cousin of the bride, Cheryl Dion, and Kathleen Hoeflinger. Ann Pashea, sister of the groom, was junior bridesmaid. The flower girl was Sally Jo Rozkyce, cousin of the bride.

The maid of honor was attired in pale green, while the bridesmaids wore emerald green. Matching headpieces were worn. The gowns, floor length, were made of embroidered taffeta with scoop necklines, short sleeves and bouffant skirts accented by panels of embroidery in the back.

The maid of honor carried a cascade of salmon-colored carnations, with yellow cascades carried by the bridesmaids and junior bridesmaid.

The flower girl was in a full-length gown of nylon and organza with puff sleeves, a scoop neckline and a full skirt forming an apron effect, with flowers of

the same material at each fold. The back of the skirt had a butterfly effect.

A small band with a net veil was worn. The flower girl carried a basket filled with rose petals and carnations.

Ronnie Motil, cousin of the bride, carried a heart-shaped satin pillow holding the rings.

Dale Pashea, brother of the groom, served as best man. Groomsman were Leonard Gnojewski, brother of the bride, Richard Bertach, Paul Massey, Richard Gnojewski, cousin of the bride, Marion Bohank and Arthur Rakewicz, cousin of the bride.

Guests were seated by Anthony Rakewicz, cousin of the bride, and Richard Coleman, ushers.

The organist, Mrs. Bridick, accompanied Richard Judd, soloist, as he sang "Ave Maria."

Mrs. Gnojewski, the bride's mother, selected an off-white sheath with silver threads, using silver accessories. The groom's mother chose a light blue sheath with black accessories. White carnation corsages completed their attire.

The bride, a graduate of St. Mary's grade school and of St. Teresa's high school in East St. Louis, is now employed in St. Louis.

The groom attended Sacred Heart grade school in Granite City and graduated from Assumption high school. He is employed by a grocery firm. The young couple will be at home to friends at 2514 State street.

A wedding breakfast was served at the Polish Hall in Madison immediately after the ceremony for members of the wedding party. The reception was held during the evening at Polish Hall, with approximately 300 families attending.

**VISIT RELATIVES**  
Mr. and Mrs. F. E. Crowfoot of Edison avenue, with their grandson, Raymond, Sienkiewicz, and friends in Jacksonville, Roodhouse and Whitehall.

The flower girl was in a full-length gown of nylon and organza with puff sleeves, a scoop neckline and a full skirt forming an apron effect, with flowers of

MR. AND MRS. JIM BLACK. Their wedding took place Saturday evening at Tri-City Park Tabernacle. A daughter of Mr. and Mrs. Harlan Keel, 1327 Meridian street, the bride is the former Trudene Keel.

## Miss Trudene Keel Becomes Bride Saturday Of Jim Black

Tri-City Park Tabernacle was the setting Saturday evening for the wedding at 6 o'clock of Miss Trudene Keel and Jim Black. Rev. Robert D. Shaw officiated. The bride's parents are Mr. and Mrs. Harlan Keel, 1327 Meridian street. Mr. Black is a son of Mr. and Mrs. Clifford Black, 3212 Wilshire drive.

White flowers and greenery decorated the sanctuary for the candlelight service. Wedding music was furnished by Miss Karen Shelton, vocalist, accompanied at the organ by Mrs. R. D. Shaw. The songs were "Till The End of Time," "Always," and "Wedding Prayer."

Escorted by her father, the bride wore a gown of bouquet taffeta with a fitted bodice coming to a point at the waistline. The scoop neck was ornamented with sequin and pearl applique and long sleeves tapered to points at the wrists. The bouffant skirt, also trimmed with applique of sequins and pearls, was accented in the back with a fabric rose set off by side streamers attached to a graceful flowing train. A sequin and pearl tiara held a silk illusion fingertip veil and the bride carried a bouquet of white pom poms and lilies of the valley.

Miss Becky Shaw was maid of honor, serving with three bridesmaids, Miss Carol Rudnicki, Mrs. Alice Black, a sister-in-law of the bridegroom, and Miss Joyce Lynn Keel, the bride's sister, junior maid.

All wore street-length dresses of satin with scoop necks, three-quarter sleeves and full skirts.

For her daughter's wedding Mrs. Keel wore a three-piece blue and white suit with matching accessories and a corsage of white pom poms, while the bridegroom's mother selected a beige street-length dress and green accessories. Her flowers were white and yellow tipped pom poms.

The wedding reception was held at Kirkpatrick Home Recreation Hall. The bride, a graduate of the Madison high school, is employed at First Granite City National Bank. Mr. Black was graduated from the Granite City high school and is employed as a draftsman by the Laclede Steel Co., St. Louis.

The couple will reside in Granite City.

## Miss Mega Is Honoree At Shower Yesterday

Miss Patricia Ann Mega, who will be a February bride, was guest of honor Sunday afternoon at a miscellaneous shower given at the YMCA by her aunt, Mrs. Sue Pedicaris, Mrs. Mary Brickley, Helen Valencia and Mrs. Ann Margulien for approximately 125 guests.

Miss Mega is to be married Feb. 23 at Sacred Heart Church to Edward Takmajan.

Colors to be used by the wedding party, blue and white, were carried out in the shower appointments.

A wishing well theme was used and the gift table, centered with a large well, was decorated with blue and white carnations. The smaller tables, at which the guests were seated for refreshments, were lighted with tall blue candles and adorned with blue carnations of blue and white. All of the decorations were arranged by Mrs. Agnes Ony.

Assisting at the shower were the young women who are to be in the bridal party, Mrs. Esther Curran, who will be matron of honor, and the bridesmaids, Mrs. Jeanette Little of Joliet, Ill., and Miss Clara Ann Takmajan, a sister of the bridegroom.

The afternoon was devoted to games and a number of prizes were awarded.

**SERVING AS MARDI GRAS CHAIRMAN**  
Miss Cathleen Wittervongel, 1605 Garfield avenue, a senior at Marycrest College, is serving as chairman of the annual Mardi Gras to be held at the College Feb. 22-24.

The Mardi Gras, an all-student activity, will have as its general theme "Sidekicks of New York," including a colorful variety show titled "Rhythms of Broadway," a costume ball highlighted by the presentation of the Mardi Gras queen, and a carnival and bazaar.

Miss Wittervongel is a daughter of Mr. and Mrs. M. A. Wittervongel.

**BIRTHDAY SURPRISE**  
FOR MRS. COSS  
Mrs. John Coss, 2288 Gary avenue, was guest of honor Saturday evening at a surprise birthday dinner party given by her brother and sister-in-law, Mr. and Mrs. John Evans, at their home in Holly Hill, St. Louis.

Attending from Granite City, beside the guest of honor and Mr. Coss, were Miss Jo Ann Schneider, Mrs. Elizabeth Schneider, Miss Jeanette Trtani, Mrs. Mary Ann Holland and Mr. and Mrs. Lester Thine.

## Seek Authoritative Advice On Social Security Matters

Many people entitled to social security checks are not getting them because they listen to friends and acquaintances who advise them incorrectly, Ralph Brasher, manager of East St. Louis district office, said today. "In all sincerity," Brasher said, "men and women are told by unqualified persons not to file until they are 65; that they can not earn over \$1200 and draw social security payments; that you cannot draw unemployment compensation and social security checks at the same time; and numerous other false notions which are costing the public money every month." Brasher advises all who are

62 years of age to contact the Social Security Office to discuss their social security. "It is surprising," he stated, "how many people file their application and receive social security checks when they learn the facts about the program."

As a final caution Brasher said, "Remember, what is told to one wage earner or survivor may not necessarily apply to you."

The Social Security office is located in the First Federal building, Room 300, 435 Missouri avenue, East St. Louis. If a person is physically unable to report to the office, a field representative will make a home call, he added.

## Low Cost YMCA Tours Now Being Arranged

YMCA tours to Hawaii, Europe and the Holy Land now are being arranged by World Y Tours, of New York. Interested Quad-Cityans may contact Mrs. Lee Pfaff, program director at the local YMCA for details.

The trip to the Holy Land will include visits to Athens, Old Cairo, Nazareth, Bethlehem, Cairo, the Pyramids, the Nile valley and Easter service on the shore at Gallilee.

It will be 31 days long, beginning March 30. Travel is by jet aircraft. The cost is \$1595 per person if the group totals 25 or more.

From May 20 to June 3 there will be a tour of the Hawaiian Islands with seven days on Hawaii, Kauai and Maui. There will be six days in or near Honolulu. The cost is \$885 from Detroit.

The summer trip to Europe also will be organized. The three-week tour will cover England, Holland, Germany, Switzerland, France and Italy. The cost of \$750 includes all expenses. A work camp for young adults will be held for five weeks in July and August in the Ardennes and southern Belgium. The cost from New York is \$650.

### Nameoki Town Board Meeting On Wednesday

The Nameoki town board will meet at 7 p.m. Wednesday to further arrangements for the township-wide sewage system and take up other matters, according to an announcement to be made by Town Clerk John Karichuk Jr.

The board, headed by Supervisor Harry Briggs, has yet to sign an engineering agreement with H. W. Lochner of Chicago for the design and specifications. The township also is preparing to file suit against the East Side Levee & Sanitary District in the circuit court at Edwardsville to test the legality of state legislation adopted two years ago requiring an election for approval of future issuance of general obligation bonds.

The new law became effective last Jan. 1, and the township wants the levee district to install trunk lines in its proposed system. A few days before Jan. 1, the levee board sold \$1,380,000 in bonds to finance sewer projects in St. Clair county.

### Legion Auxiliary 307 To Visit State Hospital

The Venice Madison American Legion Post Auxiliary is scheduled to visit Alton State Hospital on Feb. 21 to entertain patients with games, award prizes and provide refreshments and cigarettes.

Announcement of the visit by the local auxiliary was made today by Dr. Abraham Simon, superintendent of the hospital. He said about 60 patients are to be entertained at the veterans cottage, and meals and cigarettes are sent to veterans in other wards who are unable to go to the cottage.

The hospital has about 175 veterans as patients.

### Car Found, Wheels Gone

A 1962 four-door sedan stolen Monday from an auto agency parking lot in St. Louis was found in the 400 block of Slough road, Venice, at 9:40 a.m. Tuesday with its four wheels and tires missing. The owner, Tomboy Stores of St. Louis, was notified that the vehicle was taken, to a local garage.

## Wide Range of Furs At Benefit Style Show

A wide range of furs will be shown at a fashion show Wednesday at 1 p.m. at the Washington theatre to benefit the March of Dimes.

Miss Lee Shepherd, chairman, said furs will be shown by a St. Louis furrier. Hostesses will be members of the four chapters of Beta Sigma Phi sorority.

Miss Shepherd, a "weather girl," will be commentator. Miss Shepherd is herself a former fashion modeling teacher.

Mrs. Wischnick said furs to be shown include the newest spring fashions, including the "bubble cape."

Refreshments will be served.

## County Homemakers' Unit Rated 1st, 2nd

Mrs. Emerald Davies of this city, first vice-president of the Madison County Homemakers Extension Federation, was the winning delegate from Granite City in attendance at the annual state meeting in Urbana last week at which the Madison County group had the second largest delegation of any county in the state.

There was a total attendance of 684 with 282 voting delegates. Mrs. E. L. Menze, county membership chairman and a member of the Rox-An unit received the prize, a "Traveling Plaque," in the name of the county organization as a reward for placing first with in the state for new members gained during 1962.

The two-day meeting took place on the campus of the University of Illinois. The theme of the conference was "Together We Change To Improve." The banquet speaker, Prof. Norman Graebner, department of history, spoke on "American Foreign Policy and Individual Responsibility."

## Chamber of Commerce Directors To Meet

Chester L. Baker, president of the Tri-Cities Chamber of Commerce, announced today there will be a dinner meeting of the Chamber's board of directors at 6 p.m. tomorrow at the Rose Bowl restaurant.

Three new directors will be elected to replace George Mauze and Louis Causey, who were transferred by their firms from this area, and the late John Dunfer. Two committee chairmen will be appointed, one to replace Mauze on the public relations committee and one to head the newly-created by-laws revision committee.

Standing committees will make their monthly reports.

## Slight Snow In January -- 18 Inches A Year Ago

Participation in the Quad-Cities was slight during January measuring only 1.46 inch, compared to 4.42 inches in January 1961 when there was 18 inches of snow.

Snow last month was measured at 2 1/2 inches on Jan. 27 and 2 1/2 inches on Jan. 28 and 2 1/2 inches on Jan. 29. Rain was recorded on Jan. 2, 15 on Jan. 5, 20 on Jan. 6, 05 on Jan. 11 and traces (less than a hundredth of an inch) on Jan. 12 and 30.

The 1.46 inch of precipitation also was below the 1.77 inch for December when there was rain or snow on 12 days. December's snows were .75 inch on the 11th and a combination of rain, sleet and snow on the 26th.

In January 1961, there was only .37-inch of precipitation in the Quad-Cities which included eight inches of snow.

## \$845 Savings In County IPAC With New Program

A self-help program inaugurated on an experimental basis in Madison county to reduce state aid to dependent children resulted in an \$845 reduction during the last three months of 1962, it was announced last week at the Illinois Public Aid Commission office in Edwardsville.

The same test program is being conducted in 20 other counties in the state, and the savings since August have amounted to \$500,000 statewide.

The savings resulted by reducing the number of relief cases assigned to special caseworkers. During the three-month period last year, starting in October, four cases in the aid to dependent children category were closed in Madison county with the recipient being employed and taken off the aid rolls.

Under the program, selected caseworkers handled as few as 30 recipients. Normally they would have taken care of as many as 150.

**Find Jobs For Recipients**  
With fewer cases to care for the caseworkers were able to concentrate on finding jobs for those on relief. Caseworkers also had more time to train recipients and obtain baby sitters for their children.

Businesses, employment offices and schools also are co-operating in the program. The goal, in addition to obtaining jobs for the recipients, is to train or retrain them for specific types of work which best fits their abilities.

The cooperation of businesses was displayed when on Thursday afternoon when a group of 23 persons from all sectors of the county attended a class at the local Illinois Power Co. office to learn the operation and handling of appliances used in household domestic work.

The staff of the local Illinois Power Co. office aided in the presentation, and an IPAC caseworker who is a trained nurse gave the group a talk on personal hygiene.

The county office superintendent, Margaret H. Hanco, pointed

out some of the recipients have completed or are entering such training fields as licensed practical nursing, sewing, beautician and clerical.

**Program To Be Expanded**  
She said two more special units will be started in the county this month and early February. Cases of Aid to Dependent Children and Aid to Dependent Children of unemployed fathers are being processed now.

Greater savings are anticipated as the program is expanded.

In January, there were 791 cases of Aid to Dependent Children and 213 of Aid to Dependent Children in the aid to dependent children category. Emphasis was placed on the importance of such training programs as the one conducted here by Illinois Power Co. It aided female public aid recipients who get domestic jobs to become familiar with appliances such as automatic dishwashers and others.

The Illinois Employment Service offices in the county also are giving aid to the program by setting up special interviews for public aid recipients as job applicants for potential employers.

Persons desiring services of a household domestic may contact the county IPAC office in Edwardsville at 118A Hillsboro avenue.

**County Tavern Permits Ahead of Last Year**

A total of 74 liquor licenses, including 14 temporary, was approved last week at Edwardsville, have been issued for taverns in the unincorporated areas of the county for the 1963 license year. Four of last week's licenses were issued in the Quad Cities rural area.

The figure is over half the number of taverns which operated in the county areas last year. The county liquor commission, which met at the court house, reported the number of licenses issued this year is over 50 percent ahead of the total number issued last year at this time.

During 1962, a total of 147 licenses were issued, but the figure represents duplication in cases where ownership changed during the year.

County Sheriff Barney Fraundt said today his deputy staff will continue to issue warnings to operators of taverns regarding closing hours regulations and sale of liquor to minors.

The sheriff said a list of all taverns and new licenses issued is being maintained, and deputies are visiting each establishment to inform the owner of the laws concerning closing hours and sales to minors.

Licenses issued to local area operators were—Jeffie Longin, Midtown Country Club near Venice; Mary Glasper, Village Tavern near Madison; Lester Johnson, Les and Jennie's tavern near Granite City and Dale Boyd, Boyd's tavern, Rural Route One, Granite City.

## SIU Carbondale Sets Summer Session Program

Taking another step toward year-round operation, Southern Illinois University at Carbondale expects to extend its 1963 full-quarter summer session to embrace sophomore-level as well as freshman-level courses, according to Raymond H. Dey, director of the summer session. The regular eight-week summer term will run from June 17 to Aug. 5, while the 12-week term is scheduled for June 17-Aug. 30, he said, "depending upon funds becoming available for the 12-week quarter." Last summer only freshman-level courses ran 12 weeks.

Courses have been listed for summer offering by 52 departments in eight schools and colleges of the University, plus the Vocational and Technical Institute and the department of nursing. Dey said.

In addition to the eight- and 12-week courses, about 40 short courses and workshops are scheduled for the 1963 summer session. Several of these are to

**Driver Charged After Three-Car Accident**

Three cars were involved in an accident at Madison avenue and 21st street about 11:42 p.m. Thursday. John Stanley, 25, of 122 Lee Wright Homes, Venice, one of the drivers, was charged with failing to yield right-of-way. He was driving east on 21st street.

An auto driven by Laura Daniels, 47, of 200 Kerr street, struck the first auto, police said, and caused it to hit a third auto which was parked at the curb on 21st street. The Daniels' auto was traveling north on Madison avenue.

The parked auto was owned by Frank Langwisch of Hartford, police said.

**Motorist Is Charged Following Crash**

Walter S. Griggs, 56, of Beetham, was charged with running a red traffic light Friday morning, resulting in an accident.

Police said he told them he did not see the light as he was driving west on 20th street. His auto was in a collision with one driven by Ann M. Kastele, 52, of 3252 Carlson avenue who was driving south on Madison avenue.

**Chicagans Charged**  
Lloyd Sprauels, 23, and Paul Brightwell, 29, both of Chicago, were arrested in Granite City about 1:15 a.m. for creating a disturbance. They were released on \$16 cash bail each.

## Donations To CROP Increase In County

Total Madison county contributions to CROP in 1962 were \$3273 which included \$440 from various Thanksgiving services, \$607 from individuals and churches and \$1857 from solicitation in various communities. The goal of one carload of corn from the county was exceeded by approximately 50%.

CROP in this county designates its gifts so that if a donor wishes his gift will go through the Lutheran World Relief or the corresponding agency of the Roman Catholic Church. The credit is given on a national basis, however, rather than to local groups.

Total commodities and cash collected in Illinois amounted to \$227,000 which is \$33,000 more than last year. CROP gifts have mounted steadily in Illinois. In 1956 gifts amounted to \$100,000. Annual gifts are now double that.

Rev. Lowell H. Brown is the new state director of CROP, succeeding Rev. Erwin D. Franz, who has become regional field representative for the eastern half of the nation. He was introduced to the Madison County CROP committee at a recent meeting.

### CLUB PLANS VALENTINE DANCE FOR STUDENTS

The February meeting of the Venice Women's club was held Friday evening in the student lounge of Venice high school. Final plans were discussed for the St. Valentine dance to be given for Venice high school students on Thursday, Feb. 14, from 7 until 10 p.m. in the school gymnasium.

Music for the occasion will be provided by a grant from the Recording Industries Trust Fund, obtained by the cooperation of Local 717, American Federation of Musicians. There will be no tickets issued.

The club will serve refreshments to all those present. Mrs. Margaret Sellert, Mrs. Dennis Daniels and Mrs. Josephine Johnson are in charge of the arrangements.

A social hour followed the club's business session, and games were played, with prizes awarded to Mrs. Bertha Pao, Mrs. Johnnie, Mrs. Vivian McMan, Mrs. Nadine McMan. The tables were decorated in a Valentine theme, and a dessert luncheon was served by the hostesses.

Other members present for the meeting were Mrs. Clara Krause, Miss Rhea Byrnes, Mrs. Olga Goodrich, Mrs. Hazel Cockrell, Mrs. Jessie Foley, Mrs. Elsie Canner, Mrs. Lisa Bauer, Mrs. Ruth Canner and Mrs. Madeline Groshen.

The next meeting will be held March 1, and hostesses will be Mrs. Ruth Canner, Mrs. McMan, Mrs. Goodrich and Mrs. Krause.

### SOCIAL CLUB AUXILIARY ELECTS MRS. MARSHALL

The January meeting of the Venice Social Club Auxiliary was held Wednesday evening. The meeting was conducted by the president, Mrs. Deanna Kelly, and an election of officers was held.

Those elected were: president, Mrs. Georgiann Marshall; vice-president, Mrs. Mayne Dempster; secretary, Mrs. Deanna Kelly; and treasurer, Mrs. Kate Burchette.

The installation will be held at the February meeting, when the evening will end with a potluck dinner with each member bringing a covered dish.

A social hour followed the business session, and the birthday of Mrs. Ann Harden was observed.

A luncheon was served by the hostesses, Mrs. Harden, Mrs. Marshall and Mrs. Annie Uffell. Others present were Mesdames Marie Mangi, Li Mami, Elinora Scaturro, Mary Davis, Mrs. Cass, Marie Pritchard and Lettie Kelly.

### MRS. DURER MARKS 88TH BIRTHDAY

Mrs. Elizabeth Durer celebrated her 88th birthday Thursday at her home, 600 Washington avenue, with members of her family and friends.

Cake and coffee were served to those present, and Mrs. Durer received gifts.

### GUESTS FOR DAY

Mr. and Mrs. Everett Painter of Carrollton, Ill., spent Wednesday as guests of Mr. and Mrs. Floyd Painter of Granite City.

The entire group also visited the Floyd Painters' son-in-law, William McDowell, a patient in the Jewish Hospital, St. Louis.

## James McCowan of Venice, 84, Dies

James H. McCowan, 84, of 709 Brown street, Venice, died at 2:05 p.m. Friday at the Edge-water Nursing Home, St. Louis, after a two-year illness. He had been at the nursing home a week.

Mr. McCowan was born in Newton, Conn., and had been a Venice resident for 60 years. He retired 16 years ago as a stationary engineer at General Steel Industries. He was a member of Odd Fellows Lodge No. 719 in Venice. Survivors include two daughters, Mrs. Ernest (Lettie) Kelly (Pearl) Hoover of Bismark, Mo., and Mrs. Jess McCowan of Leoma, Mo.; two grandchildren, and five great-grandchildren. Funeral arrangements appear in the obituary column.

### Divorce Granted In Circuit Court Friday

A Madison couple was granted a divorce Friday in the circuit court at Edwardsville before Judge Joseph J. Barr. Mrs. Margaret G. Hefner obtained a divorce from Winfred R. Hefner on grounds of cruelty. They were married Dec. 31, 1948 and separated last Jan. 29. There were no children.

### Auto Towed After Crash

The auto of Glen D. Peterson, Salem, Ore., was towed to a garage at 4:30 p.m. Friday after colliding with the left rear of the car of Frank Schall, 1415 Seventh street, Madison, in the 300 block of Cambridge avenue. Both motorists were driving northward and were attempting to slow their speed due to a gasoline truck which had stopped to turn into a service station.

### BROWNIE TROOP MEETS

Brownie Troop 37 met Wednesday afternoon at the home of the leader, Mrs. Linda Snider. The meeting was opened with the Brownie promise and the pledge of allegiance. The girls worked on valentines and also made a get well card for one of the members.

Hostess for the meeting was Maria Brawley, and refreshments were served to Linda Snider, Jerry Gray, Sharon Ballew, Shirley Taylor, Sharon Manier, Debbie Clark, and Georgia Snider. The meeting was closed with "Taps."

### GUEST FROM CALIFORNIA

Mr. and Mrs. Gerald Snider and family of Oriskany street had a guest in their home last week his aunt, Mrs. Sadie Snider of California.

## SIU Board Renames Wham; Oks Carbondale Buildings

Southern Illinois University's seven-member board of trustees, meeting Friday at Carbondale, elected John Page Wham of Chicago to his 10th term as chairman.

Kenneth L. Davis of Harrisburg was re-elected vice-chairman for a third term, and Melvin Lockard of Mattoon was named to his 10th term as secretary. Other members are Harold R. Fischer of Granite City, Dr. Martin V. Brown of Carbondale, Arnold H. Maresmont of Chicago and Lindell Sturgis of Metropolis.

Plans for three university building projects on the Carbondale campus were approved. These include two new structures, the School of Technology

academic group, and the University Park housing group, along with the remodeling of Morris library.

The board granted a leave of absence to Dr. Edwin B. Warren, senior fine arts professor at the Southwestern campus here. He will be on leave to edit sacred music transcribed from original manuscripts of English composer Robert Payrfax.

Thomas Evans was named as assistant director and Dr. William P. Bannagan as coordinator of student affairs. Evans lives at Belleville and Bannagan at Godfrey.

### Viaduct Collision

A collision of westbound vehicles on the Broadway viaduct Thursday damaged the left side of the auto of Chesley Lee, 210 Watson road, Eagle Park Acres, when the right running board of a tractor-trailer driven by James H. Wiggins, Lemay, Mo., was passing and was unable to veer to the left, due to oncoming traffic, when Lee's vehicle was passing another truck, police were informed.

### Vehicle Hits Building

An auto or truck ran into the side of the Dickerson Cleaners building adjacent to the Broadway railroad crossing, shattering a plate glass window and breaking out concrete blocks in the wall surrounding the window. Venice police were notified at 9:35 p.m. Friday. The vehicle already had left the scene.

### Hearings Are Reset For Court Wednesday

Several hearings scheduled for Wednesday, have been continued for one week by Police Magistrate Gasparovic when City Attorney John Gietlich was unable to be in court.

Rescheduled are the hearings of Ronnie Lee May, 19, of 114 Gareche Homes, and James Salee, 19, of 2020 Collinsville avenue, who are charged with criminal trespass to a motor vehicle in regards to the theft of an auto in Granite City a month ago.

Also rescheduled are the hearings of Floyd R. Ellis, 23, of 2429 Dovey avenue, who is charged with fighting and creating a disturbance; Clyde Odell, 27, of 2002 Missouri avenue, who is charged with fighting, refusing to obey and being drunk; and Joseph Wade, 19, of South Rossana, who is charged with fighting, creating a disturbance and the illegal possession of a barbiturate drug.

## Ill. Power Using New Service Bill Forms

Service bills received by Illinois Power Co. customers after starting this month will be in a new form, according to C. E. Mathias, local manager.

Mathias said the new bill results from the company's recent installation of a high-speed, electronic computer for centralizing the customer accounting and billing system as another step toward improving service and holding the line on operating costs. He said that the increase in the number of customers in recent years was a major factor in bringing about the need for a more modern billing system.

The new bill will include the customer's name and address and all billing information on one side, leaving the other side available for messages to customers. In addition to utility service charges, the new bill will include charges for merchandise purchases and appliance repairs. These charges have been billed separately in the past.

### \$50 Damage To Garage From Burning Ember

Firemen from the West Granite station responded to an alarm about 5:30 p.m. Sunday at the home of Willard Passig, 1753 Chestnut street, when the corner of a garage had caught fire, apparently from an ember from a rubbish burning nearby. The loss was set at \$50.

West Granite firemen also were called to the home of Willie Bailey, 2847 Harding avenue about 3:40 p.m. Friday. There was a stopped-up furnace flue. No damage was incurred.

## Filing By GC City, Twp. Candidates Remains Slow

Candidate filing in Granite City is continuing—but at a slow pace. City Clerk A. L. Stevens pointed out today, reminding prospective candidates with petitions that the deadline will be next week.

Last week, only two filings were recorded at Stevens' office in the city hall. He is handling filings for both city and township elections to be held April 2.

Latest to file were William McGee, 3132 Davis avenue, for the aldermanic post in the Sixth Ward, and Clyde "Buster" Boyd, 2231 Benton street, for the four-year term in the Second Ward.

No new township filings were reported.

**Street Supt. Unopposed**  
On April 2, a superintendent of streets is to be elected city wide and 10 aldermen are to be named to city posts along with three township assistant superintendents.

Eight aldermen are to be elected to regular four-year terms and two for unexpired two-year terms in the First and Third Wards. The council posts were vacated by Joseph Cuvier (First Ward) and Arthur Wieser (Third Ward) when they moved out of the city last year—Cuvier to Chicago and Wieser to Belleville.

Madison County Farm Adviser

The annual auction sale of purebred Holstein calves for 4-H club and FFA members, sponsored by the Madison County Holstein Club, will be held at the fairgrounds at Highland on Saturday, Feb. 8, starting at noon.

Purpose of the sale is to help 4-H and FFA members have a chance to purchase purebred Holstein calves from high-producing cows. There will be 21 calves in the sale. All of them are from dams producing more than 400 pounds of butterfat per year in D.H.I.A. records, from well-known Holstein herds in this area.

Members of the committee in charge of the sale are O. John Plocher, Wilbur Federer and Oliver Spitzke.

Consignors of calves are Leo and Carol Lee Day, Jerseyville; Wilbur Federer, Alhambra; Joseph and Ed Fessler, Dover; Wm. Harlike, Litchfield; Norman Jenke and Sons, Stanton; Milton Hight, Highland; John Horstmann, Breese; Wasko Kocot, Highland; Elmer Klenke, New Douglas; Bernard Korte, Germantown; Harry Ruxton, New Douglas; Truman and Allen Pocklington, Shipman; James Richter, Highland; Allen Williams, Metropolis and Susan E. Several people have asked about controlling cockroaches in the house. Finding cockroaches is no disgrace; the disgrace is in letting them stay.

Roaches found upstairs are usually either German or brown-headed, since American and Oriental roaches (often called waterbugs) prefer damp, dark places like basements and crawl spaces. They are easily transported in boxes, bags and other materials from infested areas. In addition, they may enter through cracks in house foundations and along gas and water pipes.

Living habits may slightly with the kind of roach, so home-

owners should know what one they're plagued with. For instance, unless the German roach is brown-headed, it does not confine its presence to areas where food and water are found, which may be found in living-room furnishings, on door jams, behind wallpaper, in bedrooms and even in attics.

Good housekeeping alone isn't enough to prevent or control roaches. Where they have no built-up a resistance to the chemicals, use chlorine as a spray or dust. You can also use dieldrin as a spray or dust. Generally one thorough treatment will do the job. Sodium fluoride, either separately or in combination with pyrethrin, is also a resistant roaches. Successful control depends on putting the insecticide in their hiding places like baseboards and where corners and walls join.

Regardless of the chemical used, read directions and follow them carefully. Don't inhale vapors or dusts. If you spill the chemical on your skin, wash with soap and water immediately. Change contaminated clothing. Use self-defense sprays near open flame. If treating areas with food products and utensils, use caution to avoid applying the chemical.

All farmers and land owners are invited to attend the annual Agromony Day on Wednesday, Feb. 6, at the Farm Bureau at Edwardsville.

The morning program, starting at 10 a.m. will include discussion of crop varieties and pest control. Walter O. Spitzke, of the agronomy department, University of Illinois, will speak.

The annual meeting of the Madison County Soil Conservation District will be held during the morning session. Two directors are to be elected. A lunch will be served at noon.

Officers of the district are Arthur Schneider, Trenton, chairman; Ben Givlio, Alton, vice chairman; Norman Kluter, Edwardsville, secretary-treasurer. Other directors are Eugene McFert, Highland and Burnett Allen, Pocahontas. The terms of Givlio and Kluter expire.

Soil management, including fertilizers, was discussed by Pat Johnson of the University at the afternoon program.

Plan now to attend Agromony Day.

A meeting for tomato growers of this area, including Madison county, will be held at Belleville Feb. 1, starting at 9:30 a.m. at the southwest edge of Belleville on state route 138. It has been arranged by the Agricultural Extension Service to give growers the latest information on production methods, including fertilizers, varieties and control of weeds, insects and diseases.

Use of the colorimeter to determine market quality of tomatoes will be demonstrated. All tomato producers and other interested persons are invited. Poultry and egg producers of Madison county attending the poultry short course being conducted at Lebanon by the University of Illinois Agricultural Extension Service are Mr. and Mrs. Carl Rinkel, Edwardsville; Mr. and Mrs. John Yesnosky, New Douglas; Mr. and Mrs. Anthony Bosch, Wood River and Harold and Melvin Balsters, Bethalto. Others interested may enroll for the remaining five meetings, held each Thursday at the Emerald Mound Grange Hall, east of Lebanon on U. S. route 30. The same program is given at afternoon and evening sessions, giving people a choice of day time or evening meetings.

Dulymay in the Weigh-A-Day-A-Month program for 1963 should notify the farm adviser's office.

The sooner you order your strawberry plants, now that you have your nursery catalog, the better your selection will be. Early orders provide a better chance of receiving good plants and full order. Order only virus-free plants from a reputable nursery, specifying the latest date of shipment to leave ample time for earliest possible planting.

Standard strawberry varieties produce more and better quality berries than everbearing, but they produce only once during the spring and early summer. Pocahontas, Fairfax, Tennessee Beauty and Armorer are well adapted to this area. Surecrop is a good mid-season variety. It's resistant to red stele, so use it where this disease is a problem.

For detailed information on strawberry production, stop at the extension office and ask for Circular 818, "Strawberry Growing in Illinois."

Spring colors will be clear but softened and whitened for an extremely gay and feminine look. High-toned pastels, pure and sunny, but certainly not vibrant, will be the volume color direction. The combination of varying tones of a color is particularly fresh and flattering.

Yellow—clear sunny yellow will be spring's top promotional color. Yellows range from the pale cream to a bright, sunny yellow.

## 3 Of 4 Autos In Two Crashes Were Backing

Two accidents in the 1900 block of Delmar avenue were reported Saturday evening to Granite City police.

In one crash both autos were backing north, operated by Nina Volkman, 31, 1, 2117 Pontoon road, and Harvey Ottinger, 63, of 2118 Bryan avenue.

The other crash involved an auto being backed into a parking space by Reidy Mathenia, 18, 2450 Sheridan avenue, and a parked auto belonging to Max Prusak, 2232 Waterman avenue.

**Churches Hold Joint Baptismal Service**  
A baptismal service of the local Church of God, 2301 Orville avenue, and that of Cahokia, Ill., was held jointly Sunday afternoon at the YMCA with the two pastors, Rev. C. N. Steele of this city and Rev. Thomas of Cahokia in charge.

Candidates baptized were Mr. and Mrs. Russell Selph and their sons Russell and Donnie, Jack Dillard and Susan Spiller of this city and four from the Cahokia Church.

**Crash At 20th, State**  
An accident occurred about 4:34 p.m. Friday on State street near 20th street involving Bernard Sobolewski, 32, of 2036 Edmon avenue, who was traveling east and Rosina I. Walker, 62, of 2224 Delmar avenue, who pulled out from a stop on State street. She told police her view was obstructed by traffic.

In fashion and home decoration, Barlap proved popular last season, so this year in its new knitted form and bright colors, it will be used more.

A knit "look" is the monotonous with texture interest such as the use of chenille adding an extra dimension to the fabric's surface.

Mohair and mohair like yarns are appearing in clear feminine colors, both brushed and unbrushed. The linen weave has shown its influence on wool, silk, cotton and also knits. Pure linen knits are open and airy or closely knitted like jersey.

Sounds like spring holds many interesting fabrics for the home sewer.

## Farmers, Gardeners Urged To Study Use Of Pesticides

Users of pesticides badly need sensible education on proper usage and the burning down of using such chemicals for controlling insects and weeds. Dr. Samuel A. Graham, ecologist professor of economic zoology in the University of Michigan for a speech at Southern Illinois University, Carbondale.

Dr. Graham struck a middle note between those who are railing against statements made by Rachel Carson in her book, "Silent Spring," and the rebuttal statements by Monsanto Chemical Co. in its "The Desolate

Pesticides provide a practical substitute for natural control factors that may be lost by the trend toward specialization in crop production, he said. Pest control has become a big problem in this single crop cultivation. The products also are a great improvement over natural controls.

He suggested, however, that their use has been abused at times, resulting in unnecessary harm to some of the desirable organisms that are associated with the pests we want to control. Rachel Carson's book probably will contribute to less extensive use of pesticides, he said.

Putting into effect two actions would help control man's pest problem resulting from the use of pesticides.

Conducted at Lebanon by the University of Illinois Agricultural Extension Service are Mr. and Mrs. Carl Rinkel, Edwardsville; Mr. and Mrs. John Yesnosky, New Douglas; Mr. and Mrs. Anthony Bosch, Wood River and Harold and Melvin Balsters, Bethalto. Others interested may enroll for the remaining five meetings, held each Thursday at the Emerald Mound Grange Hall, east of Lebanon on U. S. route 30. The same program is given at afternoon and evening sessions, giving people a choice of day time or evening meetings.

Three Tailights Stolen Off One Parked Auto  
Three of three tailights from the 1959 auto of Carl Wilson, 33 Del Rio drive, was reported Saturday to county authorities.

Wilson said he was bowling that evening at Bowland when the theft occurred.

**\$100 Blaze In Auto**  
A short circuit in the engine wiring caused about \$100 damage to a 1960 auto at 27th street and Madison avenue about 7 p.m. Saturday. Firemen said the auto was being operated by Edw. Stival, 2140 Roberts avenue.

### Man Shoots Wife Who Hit Him With Beer Can

The Madison county sheriff's office is investigating a shooting at Pontoon Beach Thursday night during a family row.

Mrs. Marie Appony, 38, of 6 Jones Park place, was listed in fair condition at St. Mary's Hospital, East St. Louis, with a bullet wound to the left side of her neck and shoulder.

She told sheriff's deputies she and her husband, Daniel, were having an argument about 11 p.m. and she hit him with a beer can. He retaliated by pulling a gun and shooting her. The bullet entered her neck and came out her back at the shoulder.

The woman said her enraged husband also fired several shots into the floor.

According to the sheriff's office, Appony called the hospital from a tavern to inquire about his wife's condition and said he was leaving for Arkansas.

No warrant was issued immediately for the man, but the sheriff's office said the woman indicated she would press charges.

### Motorist Crowded Into Fire Hydrant Guard Rail

An iron guard rail around a fire hydrant at 2418 Edwardsville road was struck Sunday morning by an auto driven by Robert Diamond, 24, of 1308A Nineteenth street.

Diamond told police he was forced off the pavement by another auto.

### Council Again May Take Up Trucks, Treatment Plant

A routine agenda is expected for tonight's 8 o'clock session of the Granite City Council, although discussions are expected again on the treatment plant engineering agreement and on an adjustment in the cost of two street department trucks delivered two weeks ago.

There is a possibility that two representatives of the Chester Engineers firm of Pittsburgh may appear before the council. Several council members have been critical of the action taken two weeks ago by nine aldermen who approved an agreement with the firm for payment of a \$25,000 fee in addition to regular engineering fees for the design and planning of a sewage treatment plant for the city.

The local engineering firm of Sheppard, Morgan & Schwaab has offered to do the job at regular engineering fees, with out any additional charge to re-check the sewer content and the amount of flow in the sewers.

The legality of the manner in which the agreement was approved without being read to the council also has been challenged.

Representatives of Chester Engineers are to be here about a week to do preliminary work prior to the start of the \$25,000 survey of tests of sewer content and flows. They also plan to talk to officials of local industries to determine if any industries plan to set up their own treatment plants.

### \$250 Fire Damage To Auto

A carburetor backfire was listed as the cause of a fire which resulted in \$250 damage to an auto owned by Harry Neuling on Friday. Firemen answered the alarm at 1637 Spring avenue.

### Mother Of Mayor Ill

Mrs. Henry C. Davis, mother of Mayor Leonard R. Davis and Arthur C. Davis, and a long time resident of Granite City, is seriously ill at the home of Mrs. R. C. Sunderman, Spanish Lake, St. Louis.

There was no mention on the agenda if the Street committee, headed by Alderman Estill Von Schmitt, will submit a report on the two city department trucks.

Alderman Samuel Whitmer pointed out last Monday night the trucks did not meet the 300 cubic inch cylinder displacement specification set by the city. He recommended that proper motors be installed in the trucks or an adjustment be made. The council voted to hold up payment for the trucks.

### Quad-Cities Heart Fund Begins 1963 Campaign

The 1963 Quad-Cities Heart Fund campaign opened Friday, with Harold Summers, commander of American Legion Post 113, as chairman.

Climaxing the drive will be "Heart Sunday" Feb. 24.

Summers said the Heart Association is the only national voluntary organization that fights all heart and circulatory diseases. He said heart disease is still the nation's number one killer, causing more than 225,000 deaths a year.

"Heart Fund research dollars have helped produce new methods of diagnosing, treating and controlling heart and circulatory diseases," Summers said. "More cardiac patients are now returning to their jobs than ever before."

An obituary notice appears elsewhere in this issue.

### Five To Take Part In Pupil Health Discussion

Five Quad-Cities will question panelists during the "Child Health" television show on Channel Four from 2:30 to 3 p.m. Saturday.

Willie, Mrs. W. C. 2803, will be County School Supt. Wilbur R. L. Trimpe, who assisted in the arrangements.

### FA 38, 155 Hearings Scheduled Friday

A public hearing to discuss the proposed improvement of Federal Aid Route 38 and a portion of Federal Aid Route 155 in Green and Jersey Counties will be held at 10 a.m. Friday at the Jersey county court house, Jerseyville.

G. H. Shanahan, district highway engineer, said the public is invited to attend and participate in the discussion.

### Crossing Application Filed By Union Electric

Union Electric Co. of St. Louis has applied for a permit to install an aerial crossing over the Mississippi River near Hartford.

The application, filed with the Illinois Division of Waterways at Springfield, was announced by W. J. Payes, Jr., director of the department of public works and buildings.

### Accident On Ice Road

Carl D. Warren, 30, of 2121 Illinois avenue, and Thomas P. Baldwin, 48, of 2310 Illinois avenue, were involved in a minor collision at the intersection of Illinois avenue and West 24th street about 7:20 p.m. Thursday.

Police said the accident was caused by snow and ice on the pavement.

### Hit-Run Accident

An auto owned by Alvina G. Thuru, 10 Country Lane court, 2200 Woodlawn avenue, was damaged in the right side of the road on Wednesday night on a lot on Nameklo road near Johnson road. The other driver did not stop, but a witness supplied his license number. Police are investigating.

### Bloomquist Files For GC Park Board Post

Earl Bloomquist, incumbent Granite City park district commissioner, filed petitions of nomination Friday for reelection to the six-year post in the April 2 park district election.

Bloomquist, the only commissioner whose term expires this year, filed on the opening date. The filing period closes March 2. Petitions are being accepted by Park Secretary Frank Rice at his shop across from the downtown post office.

### Narrow Road, Parked Autos Cause Crash

Two autos traveling in opposite directions tried to pass between cars parked on both sides of the street in the 2800 block of East 24th street Saturday afternoon and collided. Police said damage was slight.

The motorists were Clara Scanlan, 36, of 2818 Lincoln avenue, and Thomas Wolcott, 22, of 620 Broadway, Venice.

### Parked Auto Damaged

An auto owned by Pat Rich, 3510 Wabash avenue, was damaged about 7:45 p.m. Friday as it was parked near the owner's home and was hit by an auto driven by Evelyn R. Pomeroy, 33, of 2003 Richmond avenue.

She told police she lost control of her vehicle.

## Father Of Six Kills Self In Parked Auto

A Granite City, 38-year-old Edwin Maurice Ostresh ar, 1337 Edwardsville road, committed suicide about 8:30 p.m. Friday, shooting himself in the right temple while seated in the back seat of an auto.

Ostresh's sister, Mrs. June Humphreys, 28, of 4054 Madison avenue, who was in the front seat with her husband, Frank, witnessed the shooting, which occurred as the auto was being parked in the 1500 block of Fourth street. She ran into the Johnny Lewis tavern to summon an ambulance and police.

Ostresh, the father of six youngsters, was dead on arrival at St. Elizabeth Hospital. Members of the family told police he was despondent and had said "I had made up my mind, was going away and wanted to be buried as close to his father as possible."

A verdict of suicide was returned by a coroner's jury during an inquest called for the night of Jan. 12, 1963, at 10 p.m. by Deputy Coroner John Sedlack. Madison police said they were looking for the wife of the deceased.

Pulled Gun From Pocket Mrs. Humphreys said she and her husband and brother had left Clinton's tavern, 1663 Market street, to go to the Lewis tavern. Her husband was parking the car when she turned to see her brother pull a pistol from his pocket, put it to his head and shoot.

Police found the nine-shot, 22-caliber pistol on the floor in the back of the auto. It contained one empty shell and five live bullets. The spent slug was found on the back seat.

Ostresh, an employee in the transportation division at the Granite City Army Depot, was a world war II Air Force veteran. He was born in East St. Louis and lived in Granite City nine years and in Madison for 12 years. He was a member of Concordia Lutheran Church and the Aid Association for Families of Servicemen.

Survivors include his wife, Virginia, of the Edwardsville road address; six children, William, David, 15, Kathleen, 12, Robert, 10, Edwin Maurice Jr., five, John Mervin, three, and Marilyn Joyce, one-year-old; his mother, Mrs. Frances Ostresh of Madison; three brothers, George Jr. of Granite City, Elmer and Lawrence of Lawrence of Troy; and his sister, Mrs. Frank (June) Humphreys of Madison. His father, George Ostresh ar, died last July 11.

Funeral services were held this afternoon at a Madison funeral home. Further details are given in today's obituary column.

## State Capital News

There was a 100% increase in the amount of grain shipped from Illinois to foreign countries during 1962, according to Ralph S. Bradley, director of the Illinois Department of Agriculture. "We hope to make this only the start of increased expansion in the areas of international trade," Bradley said. "Grain inspection facilities have been greatly improved during the last 12 months, and our efforts for modernization which will result in our Illinois laboratory being second to none in the world."

The director indicated that one of the areas under study involves the possible conversion of the oil and nutritional content of soybeans.

"We know that certain foreign markets will pay premium prices for beans of high oil and nutritional content like those grown in Illinois," he said, "and we are studying ways and means of using this premium price market to put more dollars in the pockets of Illinois farmers."

The greatest increase in crime cases handled by the Crime Section of the Illinois State Police was in the burglary category, which experienced a 58% increase in 1962 over 1961.

Robbery increased 10%; theft, 66%; homicide, 33%; and larceny, 66%. The percentages are based on the work load of the section. Of all persons arrested by agents of the section last year, 98% were convicted of criminal charges.

Results of three recruiting sessions for psychiatric aides at Harrisburg, Mount Vernon and Kankakee were announced by Miss Maude Myers, director of the Illinois Department of Personnel.

During recruiting sessions in the three cities, representatives of the Personnel Department's recruiting section interviewed 227 persons and filled 127 qualified for psychiatric aides.

The 127 were offered immediate employment in various institutions of the Illinois Department of Mental Health, Miss Myers said. All applicants said they had read of the special program in newspapers, she said.

Employment on Illinois farms during December set a record for that month, according to the Illinois Cooperative Crop Reporting Service.

The farm labor force during the survey week of Dec. 23-29 numbered 196,000 workers, down

## January Building Permits total Over \$150,000

A sudden upsurge in Granite City construction permits during the last half of January brought the total permit value for the month to \$151,350.

The new year's building permits started slowly, totaling \$10,000 in the first half of the month. Two zoning permits for totaling \$5000 were also issued during the first half of the month.

Permits for five new homes issued during the last two weeks helped raise the month's figure. Two permits were issued for business and industrial expansion, although most of the work they cover has been completed.

Permits for the remainder of the month for general home and repair and improvement projects totaling \$14,400 and for garage and carport construction totaling \$2300.

## U. S. Bond Program Outlined For '62 Income Tax Refunds

"If you're in line for a refund on your 1962 Federal income tax return," County Savings Bonds Chairman Henry D. Karandeff said today, "I have the word for you."

This year for the first time, Karandeff said, "Uncle Sam is making it possible for you to take your year-end refund in Series E Savings Bonds by the simple expedient of putting an 'X' in the appropriate box on the tax form."

Last year about 40 million taxpayers received cash refunds on their taxes. Judging from samplings of opinion, a lot of them would have preferred to get their money in Savings Bonds if they'd had the chance. Bond Chairman Henry D. Karandeff wants to make sure any of them who live in Madison

county know they now have that choice.

The way the bond option works is simple. The Treasury will issue the smallest possible number of E Bonds of the largest possible denominations to cover the amount of the refund. If there's anything left over, a check will be written for the balance.

The one complication comes if the cash balance is from one to 99 cents, since the check-issuing apparatus can't handle anything less than a dollar. Details are given in the instructions.

What about joint returns? Karandeff has the answer to that one too. "John and Mary Smith" on the tax return becomes "John or Mary Smith" on the bond registration, making them co-owners.

Announcement was made today by Mrs. Emily Seneff, president of the Granite City Provisional League of Women Voters of a dinner meeting to be held at 6:30 Feb. 18 at The Smorgasbord restaurant with Mrs. W. E. Parks, who is currently serving on the League's National Board as guest speaker.

## MONDAY, FEBRUARY 7, 1938

Mrs. Irene Kite of Alton made an automobile tour of the Tri-City Thursday night but insists it was for survey purposes only. Her expected visit was announced earlier in the day in the newspaper. Apparently nobody recognized the woman, however. She was afforded a chance to hear herself talked about in taverns she may later visit with her slot-machine-smashing axe. She said she scouted the Tri-City "just to see how they were behaving."

Releah Thurman, 33, is improving after undergoing surgery at St. Elizabeth Hospital.

On Saturday a reporter from this newspaper was surprised to see Walter Moss, 2935 West 20th street, riding about on a well-gaited horse. He stopped the reporter to inquire.

He learned that about a year ago Walter and his brother, Elmer, both of whom own auto and decided to go partners on a horse. They find it much cheaper to maintain their auto and prefer horseback riding exposing themselves to the dangers of automobiles.

A growing crisis in the Granite City township relief situation was averted temporarily Thursday afternoon.

A group of grocers met with township officials to discuss the committee of relief clients and agreed to advance this week's food supply without cash payment. A week ago, relief ration were cut in half due to a shortage of funds. The demonstration by clients followed.

The Thursday club party last week was held at the home of Mrs. J. T. Schill on State street. Prizes were won by Mrs. Dan Collier, Mrs. Mark Clement, Mrs. E. C. Strunk and Mrs. Dawson Pugh. The next meeting will be hosted by Mrs. Nettie Overbeck.

Mrs. Robert Wolf, 2579 Madison avenue, was hostess to the Wesleyan Guild of the Niederrheinhaus Memorial Church Friday night. Mrs. Walter Klein held the devotional and Mrs. Quincy Mathews gave the prayer. The opening of the meeting.

Both prizes for games played later were won by Mrs. Waldo Frohardt.

Mrs. R. W. Masser and Mrs. E. B. Thompson entertained guests at a surprise party Friday night at a farewell to the Lerner, who left the next day to join her husband in Pittsburgh.

Guests included Mrs. Larner, her mother, Mrs. Zoe Cook, Mrs. Robert, Mrs. W. A. Frey, Mrs. Robert Lyons, Mrs. Ed Clement, Mrs. Arthur Ryan, Miss Mary and Kathryn Colligan, Mrs. Pat Ryan, Mrs. Harry Williams, Mrs. J. F. Westlake, Mrs. William Lynn and Mrs. J. J. Shuman. Winning scores at the games were held by Mrs. Shuman, Mrs. Gorbie, Mrs. Westlake and Miss Mary Colligan.

Edwin Goodlin, 21, of 2253 Monroe street is at St. Elmo Beth Hospital. He underwent surgery Saturday.

## THE FORUM

### PUBLIC CAN HELP POLICE CURB HOME BURGLARIES

To the Editor:

This letter is written to publicly thank the Press-Record for their cooperation in the printing of pictures showing the condition of my home after it was burglarized recently.

I know my home is not the first one to be robbed, nor will it be the last one. My main reason for wanting pictures shown was to make the people in this community more aware of what these thieves can do in just a short time. Not only do they rob you of your valuable possessions that you have worked hard to have, but they also tear your house to pieces and do a good job of it, too.

Our police department is working hard, day and night, seven days a week, doing a very best to catch these hoodlums. But they have a big job to do and they can't be everywhere at one time.

I'm sure they would appreciate any help they would get in Granite City or surrounding communities. So, if you see anything strange happening that doesn't look just right near your neighbors' or friends' homes, see strange cars parked where they shouldn't be, or you've strange phone calls, notify the police at once. Don't wait. It may help them to catch these thieves and what happened to my home will not happen to yours.

Let's practice the old-fashioned idea of neighbor help neighbor, friend help friend. It is still a good idea, for who knows where this gang may strike next.

Remember, it could be you. Thanks again to the Press-Record for their splendid cooperation.

MRS. BERNICE SPAICH

**FROZEN FAST MIDSTREAM** in the Chain of Rocks canal is a single barge that was being moved in an effort made Saturday to take it from the canal harbor to St. Louis. In the lower foreground is a barge moored to

the wharf—also frozen solid. Several other barges have been abandoned in the canal ice for over two weeks.

**BARGE TRAFFIC—WHILE SLOW—CONTINUES** at the Chain of Rocks canal harbor, although the barges here appear to be frozen in. Tonnage through the locks has dropped off considerably due to ice jams on the river,

but the locks were never shut down. Warmer weather is expected to open the river in the near future.

**QUAD-CITYANS SEATED** in the Sunset Hill Holiday Inn dining room—especially those in the Nameoki area, probably will be able to pick out their homes. The two-story,

modern design structures overlook the Mitchell, Quad-City, Wood River and St. Louis areas.

**LONE GUARD STANDS BY** the swimming pool inside the quadrangle of the new Sunset Hill Holiday Inn Motel-Restaurant, which is scheduled to open Feb. 15. To the right

is a section of the two-story motel units, while on the left is the building for the dining room and kitchens.

## Traffic Safety Conference Planned By Area PTA Council

Traffic safety at schools and progress in education made in the Granite City school system were topics outlined by speakers, Police Lt. Paul Moore and School Supt. Harold M. Kaiser, at Thursday evening's meeting of the Area PTA Council.

Also during the meeting, held at Emerson school with about 50 persons present, the president, Mrs. Kathleen Tadlock, announced nominations now may be made for the "outstanding PTA worker" to be recognized at the annual Area PTA Council banquet on Feb. 28.

At the suggestion of Lt. Moore, a meeting to be arranged to devise a detailed traffic safety program for each of the schools here, PTA safety committee members are to meet with city and state officials and engineers and the city attorney to establish the program.

In advance of this session, Lt. Moore, Dr. Kaiser and Principal Arthur Menendez of Lake school are to meet to prepare arrangements. A report on school safety was given Thursday by Dale Rea, principal of Emerson school and safety chairman.

**High Scholastic Rating**  
Dr. Kaiser in his talk stressed

the high scholastic rating of the Granite City school system on the national level. He pointed out achievement tests show that local students are rated above the national average.

He told the group of a marked increase in teacher training and devoted a portion of his talk to the problems of increasing enrollment and the need for more classrooms and buildings.

Dr. Kaiser said the enrollment increase is averaging 500 to 600 students from each PTA group each fall and that 13,000 youngsters are expected to enroll next September.

During the business session, Mrs. Tadlock announced that Ralph Monken will receive nominations from each PTA group for candidates for the annual PTA recognition award.

Tickets to the annual banquet, to be held Feb. 28 at the high school cafeteria, were distributed to PTA presidents.

**Driver Loses Control**  
Driving north in the 2800 block of Washington avenue yesterday afternoon, Robert Noud, 26, of 1504 Fifth street, lost control of his auto and crashed into a parked auto belonging to Harold Taylor, 2864 Washington avenue.

## GC Police Car Involved In Traffic Accident

Involved in an accident last night in the 2400 block of Iowa street were a police patrol car driven by Patrolman Dusan Gagic, 36, and an auto driven by Frank M. Townsend, 2444 Iowa street.

The report shows both vehicles were traveling north and the patrol car slid on the icy pavement. There was damage to the left front of the patrol car and to the right side of Townsend's auto.

**Pvt. Larry E. Jones Completes Training**  
Pvt. Larry E. Jones, 22, son of Mr. and Mrs. Arthur H. Jones of 3224 Colgate avenue, recently completed eight weeks of advanced individual infantry training at the U. S. Army Training Center, Fort Polk, La.

A 1958 graduate of Assumption high school at East St. Louis is a 1962 graduate of St. Benedict's College at Atchinson, Kan. Pvt. Jones is a member of the Illinois National Guard.

**Driver Did Not Stop**  
An auto owned by Dorothy E. Robinson, 831 Niedringhaus avenue, was damaged Friday night or early Saturday morning as it was parked near her home. The driver of the other auto did not stop. A headlight and turn signal from the hit-and-run vehicle were found at the scene, police said.

## County To Study Merit Of Civil Service

Appointment of a temporary committee to study the feasibility of starting a Civil Service merit system of employing courthouse and county personnel was announced Friday at Edwardsville.

Heading the committee will be William Stobbs, assistant supervisor at Alton, who will be aided by Roy Halbe of Hanel and Fred Grenzschach of Wood River.

The county board has been given an opinion on the proposal by Assistant State's Atty. Burton Bernard that state legislation would be needed to go into the program on a county level. The committee is to study the system to make information available to the legislature.

**Local Students On College Honor Roll**  
John Podner and Thomas Moore, local students at Illinois College in Jacksonville, have been named to the first semester honor roll, according to an announcement by Dean Iver F. Yeager.

Podner was one of eight seniors with all A's. Moore, a freshman, was one of 11. Eligibility requires a minimum 2.25 honor point average.

## Driver, 15, Involved In Crash; Faces Charge

A young, 15-year-old motorist involved in an accident Saturday evening in the 2400 block of East 24th street, was charged with operating an auto without a driver's license.

David Hastings, 4708 Kirkpatrick Homes, posted \$16 cash bail. He was pulled out of a parking place traveling west and hit the right side of a westbound Checker taxicab operated by Robert Milton, 32, of 2014 Richmond avenue.

**SNOW ON THE GROUND** behind a row of apartments at the Anchorage housing site didn't stop work which is nearing completion on units of the housing for elderly citizens. Exterior work on the buildings is virtually complete, and many are almost finished on the inside. Apartments visible here,

which have brightly painted doors of different colors, face the opposite direction. Despite the frigid weather of recent weeks, work has continued at the housing site as workmen concentrate on interior projects. The 100-unit project will be managed by the Granite City Housing Authority.

**BOTTLE GAS HEATER**, visible directly in front of the workman, is used to heat the recreational center building under construction at the Anchorage site. A large steel gas burner is fed from the nearby tank of gas, providing sufficient heat to allow interior construction to proceed as usual. Building materials are stocked at right.

## Feed Grain Program Sign-Up Underway

Farmers who grew corn, grain or barley on their farms in 1959 or 1960 now are to sign up to participate in the 1963 feed grain program, Edwin C. Rehmeier, chairman, Agricultural Stabilization and Conservation county committee, said today. The sign-up period for the voluntary feed grain program is underway and continues through March 22.

The chairman listed the following principle features of the 1963 feed grain program: (1) it applies to corn, grain sorghum, and barley, for which crops the base acreages are added together into one "feed grain base" for the farm; (2) program participants must take at least 20% of the total base out of production and devote such acres to a conservation use; (4) a program participant must not exceed the feed grain base for any other farm in which he has an interest; in the feed grain crop; (5) diversion payments will be made to participants for shifting acreage from production into conservation; (6) price-support payments (18 cents a bushel for corn, 14 cents for barley, and 16 cents for grain sorghum) will be made to program participants on the normal production of their 1963 feed grain acreage, no matter what use is made of the grain; (7) regular price-support loans and purchase agreements on the feed grains will be available only to participants, and they will be available on the entire 1963 production of the three feed grains.

Other details of the program are available at the ASCS office in Edwardsville and Rehmeier urges all farmers to watch for additional announcements of places and dates of information meetings.

## Ill. U. To Give Traffic Course At E. St. Louis

At the request of traffic regulating bodies on both sides of the river an authority in this field of study, Dr. J. E. Baerwald, professor of traffic engineering, University of Illinois, has been obtained to teach an extension course in Civil Engineering, E426, Traffic Planning, at the East St. Louis high school.

The class will begin on Tuesday, Feb. 12, at 6:30 p.m., in room 120 and will meet once each week throughout the spring semester. The course may be taken for one unit of graduate credit and the fee is \$36.

Subject matter discussed in the class will be traffic engineering planning, functions, urban and rural master traffic plans; traffic analyses for new or existing streets, highways, and terminal facilities.

The University of Illinois Division of University Extension is cooperating with the Department of Civil Engineering in bringing this course to the area. Additional information about the class may be obtained from Fred W. Stegemuel, field representative, University of Illinois, Goldman building, East St. Louis.

## Why an electric dryer?

1. easier on you

2. easier on your clothes

In icy, unpredictable winter weather, what woman wouldn't appreciate an electric dryer?

An electric dryer saves steps, saves time, saves your back. And saves the chilling job of hanging wet wash in a cold basement or outdoors.

But any time of the year an electric dryer is easier on your clothes than sun and wind

will ever be. Electricity dries clothes fluffy, sweet-smelling. Saves lots of blocking and pressing. Handles delicate things gently. The whole family's wardrobe comes out looking better and lasting longer.

Why an electric dryer? Ask any woman who owns one.

# Manufacturers To Sponsor Export Trade Conference

A conference on export trade, co-sponsored by the East Side Manufacturers' Association and six similar organizations, will be held Feb. 20 at Bellevue. The meeting is one of a number to be held throughout the state under the direction of the Illinois Committee for Trade Expansion, East Peoria. Those attending will be encouraged to ask questions and engage in individual discussions, according to William Blackie, chairman of the trade expansion committee.

Blackie said the committee's program is designed to create greater profits and new jobs, relieve the costs of unemployment and public welfare and contribute to an improved balance of payments position for the nation through export trade expansion. Included among members of the arrangements committee for the Feb. 20 meeting are C. W. Hoelscher, manager of the East Side Manufacturers' Association; Frank C. Mansfield, manager of East Side Associated Industries; and A. A. Schweighauser, manager of industrial relations for the Laclede Steel Co.

Schweighauser also is to appear on the program.

# Two Autos Collide

Involved in an accident in the 300 block of McCambridge avenue Friday afternoon were northbound autos driven by Frank Schall, 1415 Seventh street, and Glen Dale Peterson, of Salem, Ore. Police said Peterson hit the rear of Schall's auto as he slowed for other traffic.
